UCF DINING IS

EATING MADE

Delicious

"On my busiest days, it is so convenient to be able to grab something on the go."

- Ben D.

"I love the variety of choices. Every day is different and it's so much more convenient than grocery shopping."

- Lindsay G.

UCF Dining Services has been a proud partner of the University of Central Florida for over 16 years. Since 2001, we have been listening to the voices of students, faculty, and staff to innovate and improve the campus dining experience.

In addition to our two residential restaurants, there are over a dozen retail locations across campus to choose from. Through way of a student preference survey, we are expanding the number of brands on campus based off what the students want to see!

RESIDENTIAL

&

Our two residential restaurants, '63 South & Knightro's, provide access to an all-you-care-to-dine experience. Both locations host monthly themed events and premium menu offerings to enhance the social atmosphere for our members.

Delicious Destinations brings international cuisine to both '63 South and Knightro's from regions around the world. We have also added Halal menu offerings to Knightro's, and Kosher options to our convenience stores.

In an effort to improve every day dining, we've "rolled" out a fresh, handmade sushi menu for students to enjoy every Thursday at Knightro's. Experience authentic rolls alternating between Temaki and Uramaki.

for
LIFE

Good food is essential to a healthy life, so we make sure to have wholesome choices available every day. Our Wellness Wednesday events educate students on the healthy choices they can make when dining. For more information, visit www.ucfdining.com.
